

## **Activity Update**

**S**ince our last e-mail on Memorial Day, we have been extremely active in assisting local veterans and their families. We would like to share with you some of the challenges we have addressed in the last 30 days.

The Bonita Bay Veterans Council (BBVC) has helped 15 veterans in countless ways. Your donations have gone toward payment of rent, medical bills, funeral expenses, home repairs, utility bills and much more. We are currently working on an unusually large number of new cases, and plan to provide the aid quickly that is so desperately needed by our deserving veterans in these difficult times.

We continue to support mobile food pantries that offer food and essentials to veterans and their families. At every pantry site, up to 300 families are provided a two-week supply of food.

The BBVC's Scholarship Program continued to move forward to help FGCU veterans who require financial assistance to complete their college education. In addition, we provided multiple scholarships and ROTC grants to students in need at Bonita Springs and Estero High Schools.

Be assured that the BBVC remains faithful to its mission of helping veterans and their families at this very critical time of need.

***On this July 4, 2020, we ask all of you who have been so supportive of the Bonita Bay Veterans Council over the years, to take a few moments to celebrate the Birth of our Nation and to commemorate the signing of the Declaration of Independence of the United States of America.***

**Stay strong - we will get through this together!**
